

Discontinue product CartReg

Dear Customer.

This letter to announce that following product have been discontinued.

233G0220 1/4 2 bar +/- 0,6 bar (Pe 6 bar)
233G0230 1/4 3 bar +/- 0,7 bar (Pe 6 bar)
233G0240 1/4 4 bar +/- 0,8 bar (Pe 6 bar)
233G0260 1/4 6 bar +/- 1.0 bar (Pe 10 bar)
233G0280 1/4 8 bar +/- 1.2 bar (Pe 10 bar)

We identified that the CartReg® as Male/Male was not ideal for the intended market (blow guns, pneumatic tools, OEM manufacturer etc.).

Now the NEW CartReg® is available as a Male/Female version and through improvement in the supply chain, assembly process and components optimization we are pleased to announce that it is more economical as well.
